

Town of Inlet

BOARDWALK PROGRAM

Inlet has been making many improvements to the parks. These improvements include replacing the boards on the boardwalk in Arrowhead Park as they age out.

You can be a part of the improvements to Arrowhead Park by purchasing an inscribed board to be installed on the park's boardwalk, replacing an old, worn out board. *Please allow six to twelve months for inscription and installation. No boards will be installed during winter/inclement weather. The life of the board is not guaranteed and can weather sooner than others. If you wish to be notified by email when your board is installed, please check here

\$100 per board

Please print clearly and be sure to double check your spelling. Limit 45 characters, including spaces.
