Town of Inlet

PARK PAVER PROGRAM

Inlet has been making many improvements to the parks. These improvements include new pathways from the parking lot leading towards the boardwalk and beach in Arrowhead Park.
You can be a part of the improvements to Arrowhead Park by purchasing an engraved brick paver to be installed in the park's pathways. *Pavers will be installed once a year. Order cutoff date is Labor Day. Any paver ordered prior to Labor Day will be installed around Columbus Day. Example: Pavers ordered from September 2, 2025 and up until September 7, 2026 will be installed some time around October 12, 2026. *All new pavers will be placed on the path near the scoreboard behind the ball field.
